USSR SENDING CHINESE WORKERS TO EASTERN EUROPE

Moscow is sending large numbers of Chinese workers to Eastern Europe. During the past year, more than 100,000 Chinese workers have been sent to Gorny Slask, Poland. A considerable number of Chinese are working in the Czech uranium mines in Jachymov. Masses of Mongolians and Chinese can be seen on the streets of Katowice, Wroclaw, and Szczecin in Poland, and in Kaliningrad. -- Jugopres / Item complete
